Re - Bankruptcy Court filings.  
Withdraw Petition

12/12/18

Dear Sir/Madam, I very kindly request  
to withdraw my petition to Bankruptcy court.  
I followed the self help online website.  
I did not get proper advice on  
the filing from the website.  
I read more about Chapter 13 filing.  
It requires to have a Job / Employment  
\* make Income.  
Currently. I'm out of work / out of a Job.  
I do not make any Income.  
Hence, It was a mistake filing.  
I kindly request to withdraw my  
Petition filing for Chapter 13.  
Thank you

Addendum :-

Please I kindly request that the fee \$310.00 refunded. Please

Since it was a mistake, wrong advise by Internet website.

I did not consult with Attorney. My mind was stressed, undergoing hardship currently. I did not realize that Attorney is needed. Also, I did online self help. DIY. Site, C'se I heard Attorneys are Expensive.

Here please I kindly request to withdraw. Stop all proceedings. Filings.

Thank you
